Subject: Reporting crimes committed, defrauded ±\$100,000.00

Investigator,

With this letter, I, Daniel R. Jenkins, am reporting crimes have been committed in your county. Before I begin, let me assure I am aware CA Penal Code 148.5 PC makes it a crime to file a false report of a crime. Let me also assure I am prepared to travel, as necessary, to see justice done, and to put an end to this type of crime.

This case got new life on November 2, 2015, when a previously unknown document entitled Ownership Audit was discovered by a Xactimate expert. It was found in AWARD_JENKINS2.Esx dated April 30, 2013.

It was known JENKINS_DANIEL_EST was not what it was described as making it a forgery, but it was not known how it affected the case. It being a forgery brings in PC 470 which brings in PC 803(c) therefore we have 4 years after the "date of discovery" of the fraud.

Ownership Audit proves on 1/17/2013 AAA's appraiser Douglas Jackson took over JENKINS_DANIEL_EST, knowing it was a forgery, made changes, some questionable, then on 4/23/2013 William Bruce Reid, Umpire, who also made changes, changed the name to AWARD_JENKINS. Also, changes were made to disguise the documents were the same!

See accompanying packets, OWNERSHIP AUDIT, JENKINS_DANIEL_EST, AWARD_JENKINS2, SUPPORTING DOCUMENTS and DEFENDANTS.
